1. After meeting with the architect and reviewing the information they provided, please choose how you wish to proceed with the architect by marking the appropriate box with a red 'X.'
2. If you chose 'YES'- That's great, the architect will be excited to hear the news and get started on your project.
3. If you chose 'NO'- That's too bad, the architect would like some input as to why they weren't chosen.
4. If you chose 'MAYBE'- That's okay, please inform the architect if there is any other information they can provide or answer any questions you may have.
5. If you chose 'NO RESPONSE'- Well, that's just rude. Keep in mind a no response will result in your home address being posted on craigslist with a date given for a house party- enjoy!
6. If either 'YES,' 'NO,' or 'MAYBE' are your selection, please use the provided postage paid envelope and return to the architect.
7. If you chose 'NO RESPONSE' sit back and wait for the house party!
